

Remsdaq Donates over 63kg of Easter Eggs to Local Charity

Flint, 19th March 2024 – With Easter drawing near, Remsdaq proudly announces its annual Easter Egg donation to the Flintshire Foodbank. This year, the number of Easter Eggs donated by the company and its employees totals 227 which weighs an incredible 63.5kg.

"At Remsdaq, we are dedicated to supporting our local community and charitable organisations, especially those focused on enhancing the lives of children," remarked Ray Colston, Managing Director at Remsdaq. "We strongly believe that every child should have the opportunity to enjoy the Easter festivities, irrespective of their circumstances. Our yearly Easter Egg collection underscores our commitment to making a positive impact on the lives of those in our community who are most in need."

Sue Leake, Project Manager at Flintshire Foodbank, expressed gratitude by saying: "What a wonderful donation of Easter Eggs. Thank you so much to you and your colleagues for your incredible support – it's greatly appreciated."

About Remsdaq

Remsdaq Ltd is a privately held company established in 1974, specialising in remote terminal units for use by electricity utility companies in SCADA applications, integrated security systems, and mobilising solutions. The company operates from a 4,100m² facility on the Deeside Industrial Park (on the Cheshire/North Wales border) and offers a turnkey service encompassing complete lifecycle support from concept to design, project management, installation, commissioning, and maintenance.
